“Live significantly!” That’s the inspiring message of Sharon Norris Elliot, award-winning author, popular speaker, astute Bible teacher, and founder/CEO of Life That Matters Ministries and AuthorizeMe®. She encourages everyone who will listen to live a life that matters.

Some of her 12 published titles include:

- A Woman God Can Bless

Two new projects are on the horizon for early 2022:

- I Really Need to Know Children’s Series

(This 7-book series is theology for little kids and will cover topics our 3 to 7-year-olds can understand: the sin nature, death, the Trinity, baptism, communion, forgiveness, and greed.
